Hiep Thanh Ward, District 12, Ho Chi Minh City

Objective

As an Electronics and Communications student, I am eager to secure an internship position as a software developer member and ability to learn and apply new technology quickly. My goal is to obtain more experience, improve my skills and have more prospects in this field. With a strong foundation and a desire to learn, I am eager to contribute to projects and enhance my skills in the workplace.

Education

- University of Science (HCMUS) - Linh Trung Ward, Thu Duc City
2021 - Present
- Major: Electronics and Communications
- TOEIC: 830
